

Magazine & Brochure Distribution

at Missoula International Airport

- ➔ **Highest Traffic Count in Region:**
575,000 travelers a year and thousands of visitors
at Missoula International Airport
- ➔ **Targeted:**
People 'lighten their load' when they travel – this
means only potential buyers pick up your
publication.
- ➔ **Affluent:**
Individuals who travel for business or pleasure
tend to have higher discretionary income – this
means sales for your products or services.
- ➔ **Management of Awareness and Image:**
If your rack is close to empty, we'll contact you. A
full rack means sales and presents a better image
of your company.
- ➔ **Affordable:**
Low monthly fee
